# ABOUT DOTME CAPITAL

 DOTME CAPITAL(pty) Ltd. is a Subsidiary of **DOTME HOLDINGS (PTY) LTD**

 Registered credit provider: **NCRCPI9913**

DOTME CAPITAL was built from the ground up, right here in Johannesburg, with one thing in mind: people. We saw what was happening, everyday South Africans, hustling to make ends meet, getting turned away by the big guys. Too much paperwork. Too many delays. Too little heart. So we decided to change the game.

Backed by DOTME HOLDINGS and fully registered with the National Credit Regulator (NCRCPI9913), DOTME CAPITAL was born to bring fair, fast, and personal lending to the people who need it most. No fluff, no red tape, just real help, when it's needed.

We started small, just a team with a vision and a deep belief that access to funding should be about dignity, not desperation. Today, we've grown into a trusted credit provider, helping South Africans rise, rebuild, and reimagine what's possible.

Whether it's a personal loan, a quick top-up, or working capital to keep a business afloat, we're here for it. Every loan we offer is more than just a number on a screen, it's a moment of relief, a sign of hope, and a chance to breathe again. That's what we're about. That's DOTME CAPITAL.
